

January 2017—A Fresh Start

What's Going On L.E.G.???

We are starting January off on the right foot. There are social, service and learning opportunities available at every turn and we hope that you will join us. We are beginning to make our Pediatric Trauma Program (PTP) Dolls now that we have all the materials and are very excited that they will have a home at Kaiser South Sacramento. Our goal is to make 200 dolls for delivery in March.

There are a couple of important meetings in January, so be sure to read the dates below and RSVP as needed if you are able to attend. And don't miss our January meeting. We will be taking nominations and voting for our open Board and the president-elect positions. Our speaker, Sarah Papazian, will share her story about receiving a PTP Doll and how it impacted her life. We will also be launching an exciting incentive program for members that you won't want to miss!
